

PicoLE Connection and Signal Diagrams

v1.0

Table of Contents

<i>PicoLE Diagrams</i>	1
Connection Diagram for a basic PicoLE System	2
Connection Diagram for a PicoLE System with an AC Mode Controller	3
Connection Diagram for a PicoLE System with a MAC Mode Controller	4
Connection Diagram for a PicoLE System with PicoStat	5
Connection Diagram for a PicoLE System with PicoStat and AC Mode Controller	6
Connection Diagram for a PicoLE System with PicoStat and MAC Mode Controller	7
Signal Diagram for a basic PicoLE System	8
Signal Diagram for a PicoLE System with an AC Mode Controller	9
Signal Diagram for a PicoLE System with a MAC Mode Controller	10
Signal Diagram for a PicoLE System with PicoStat	11
Signal Diagram for a PicoLE System with PicoStat and an AC Mode Controller	12
Signal Diagram for a PicoLE System with PicoStat and a MAC Mode Controller	13

PicoLE Diagrams

The diagrams in this section are intended to show the connections and signal paths for each permutation of the intrinsic PicoLE system components. Other options are peripheral to the system and do not require different connection configurations for different arrangements of these intrinsic components. The connection diagrams for each permutation are listed first (pages 2 - 7), followed by the signal diagrams for each (pages 8 - 13).

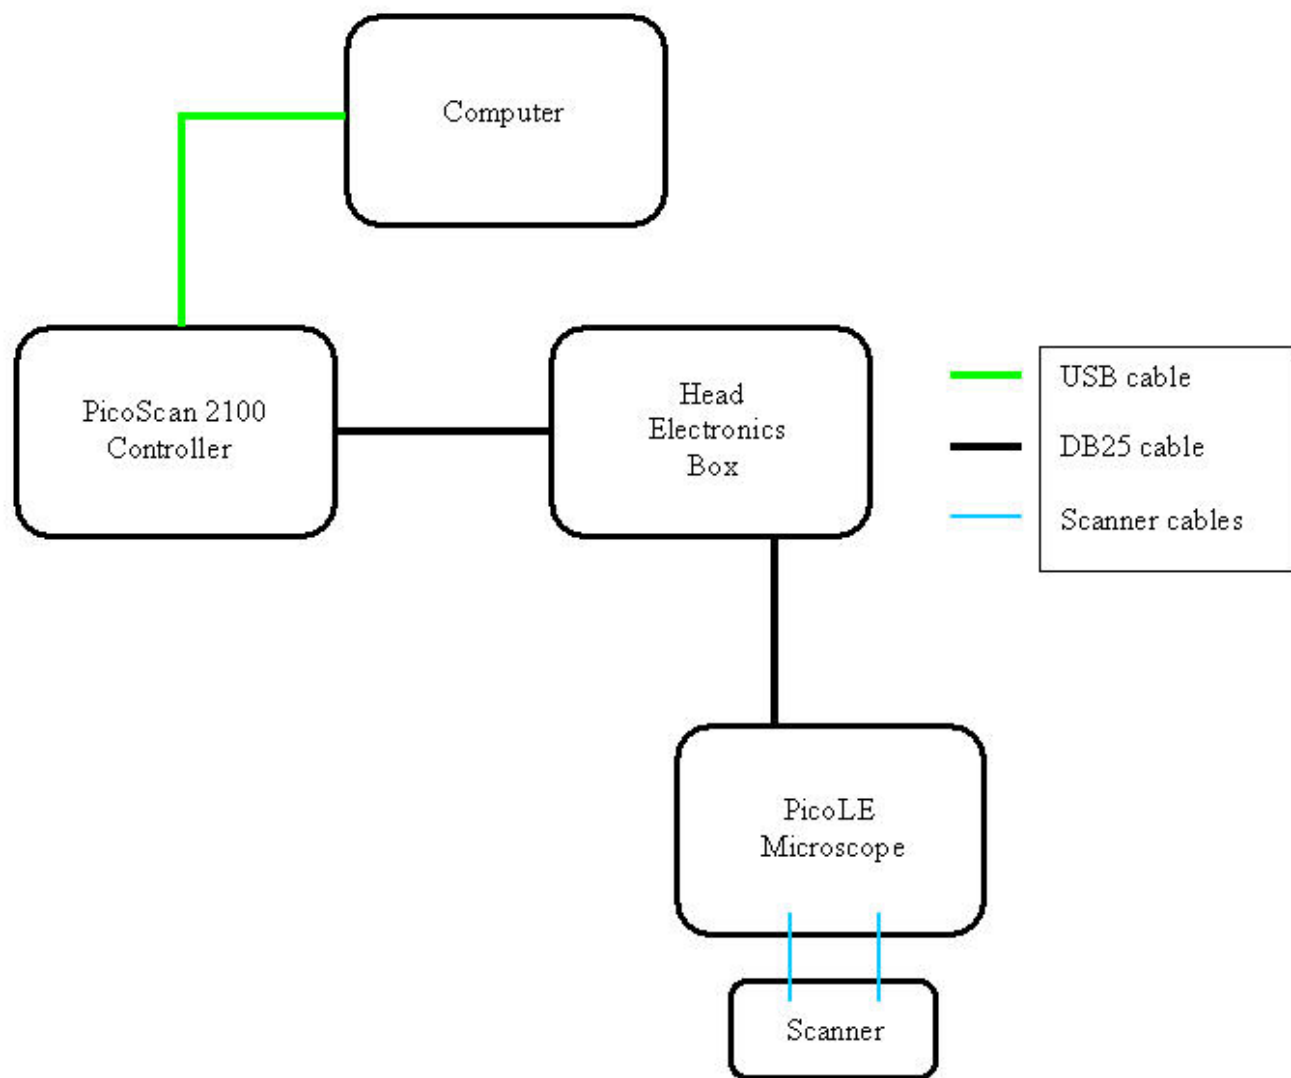

Connection Diagrams for the PicoLE system

Basic PicoLE System	2
PicoLE with Acoustic AC	3
PicoLE with Magnetic AC	4
PicoLE with PicoStat	5
PicoLE with PicoStat and Acoustic AC	6
PicoLE with PicoStat and Magnetic AC	7

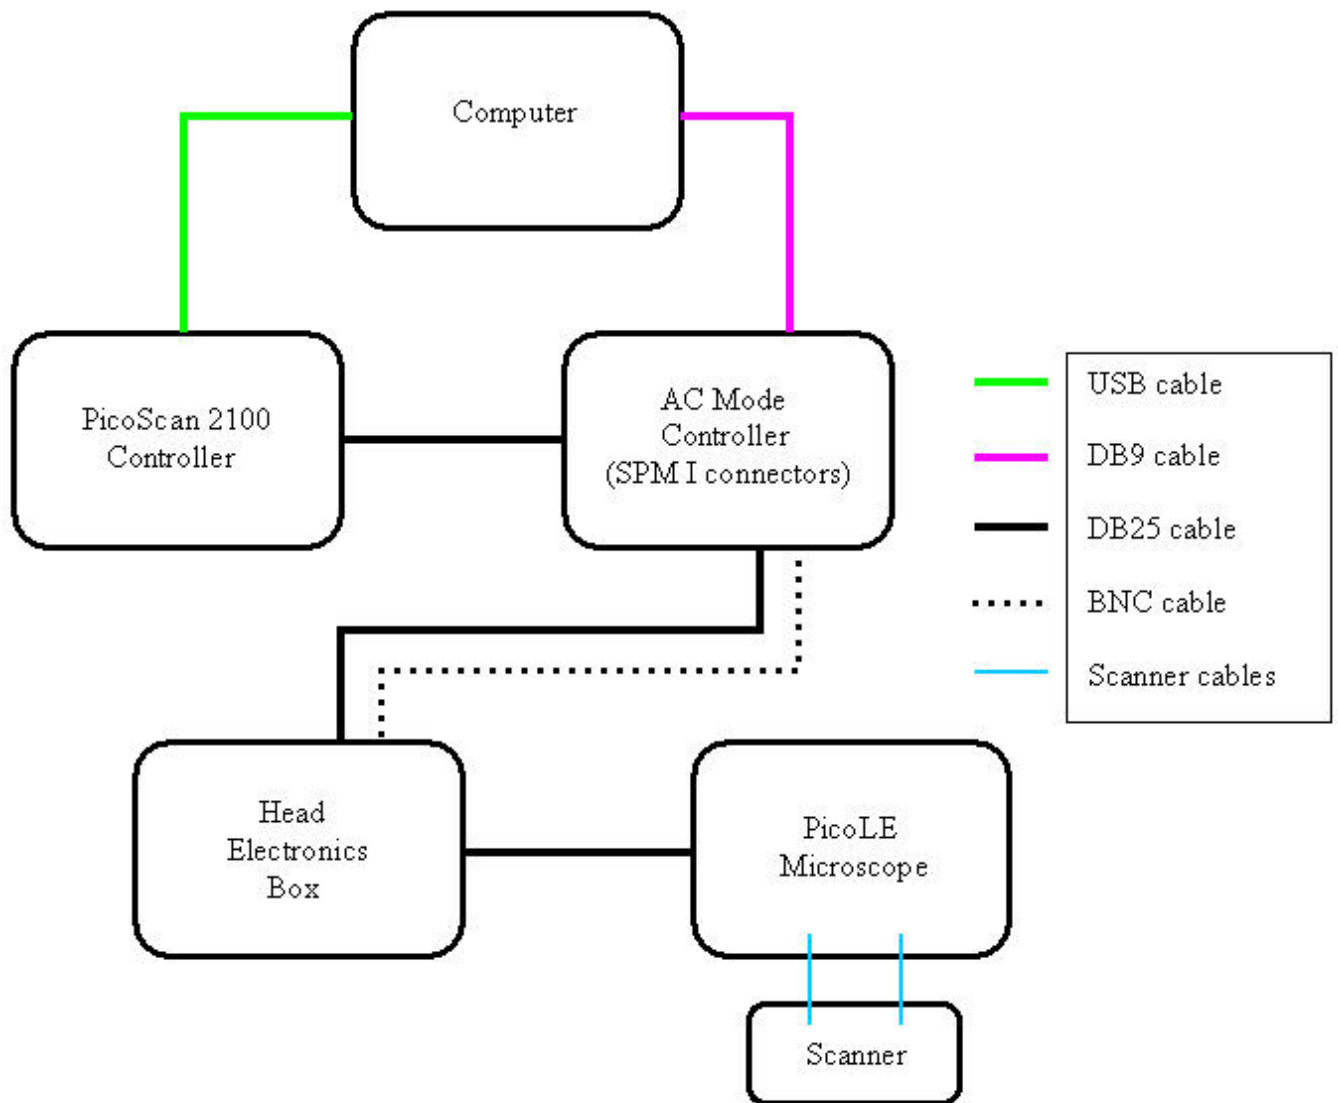

Signal Diagrams for the PicoLE system

Basic PicoLE System	8
PicoLE with Acoustic AC	9
PicoLE with Magnetic AC	10
PicoLE with PicoStat	11
PicoLE with PicoStat and Acoustic AC	12
PicoLE with PicoStat and Magnetic AC	13

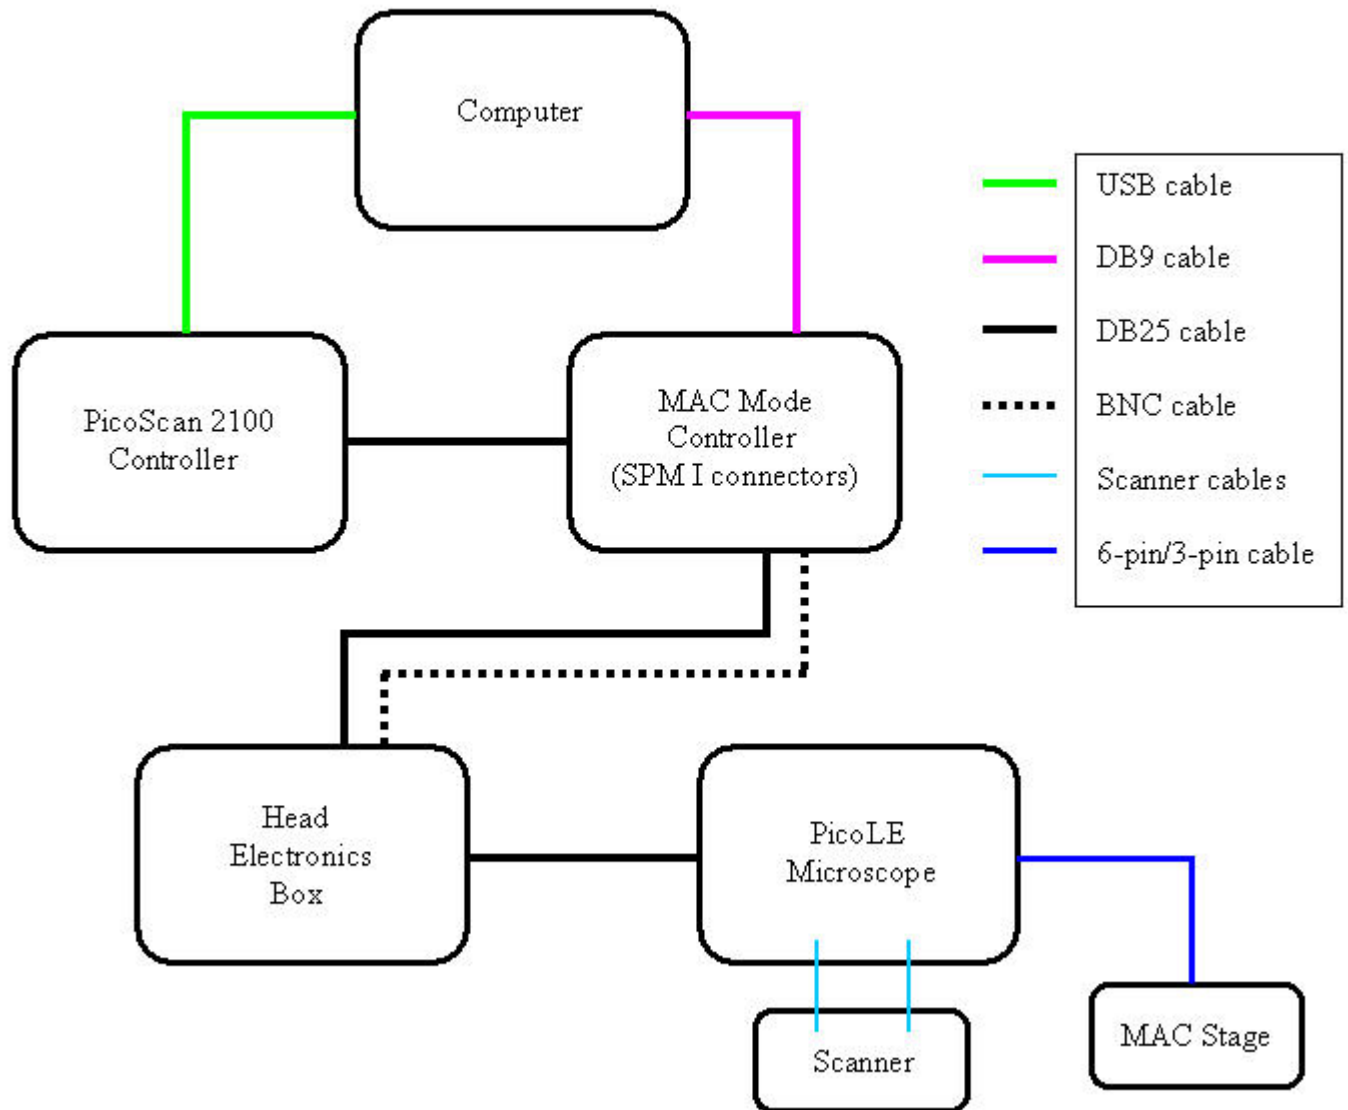

Connection Diagram for a basic PicoLE System

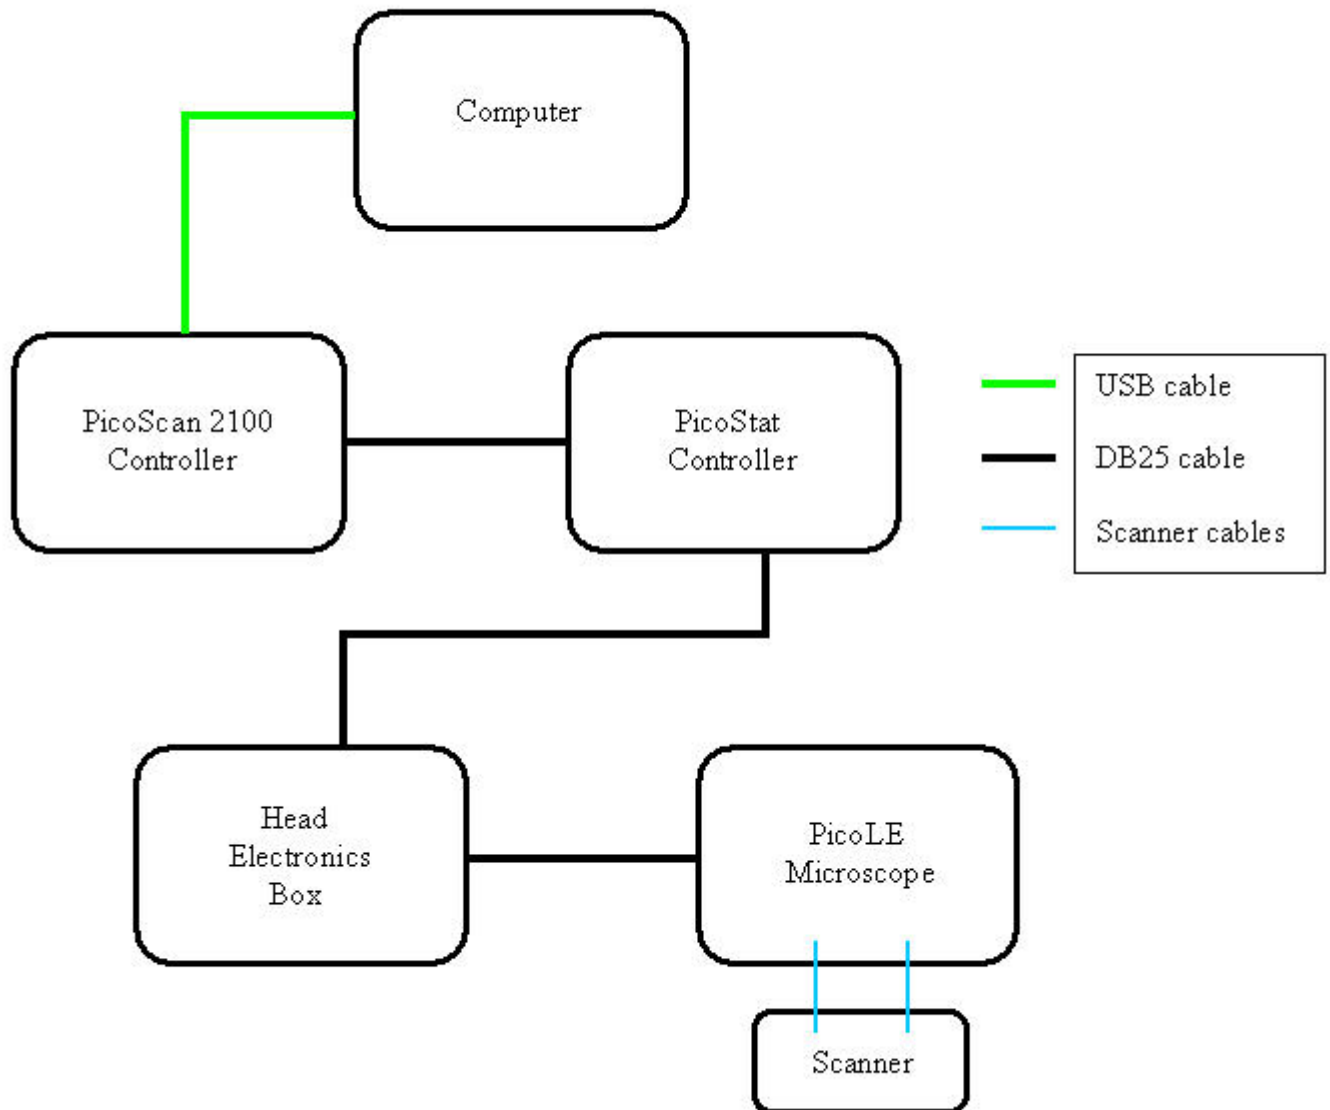

Connection Diagram for a PicoLE System with an AC Mode Controller

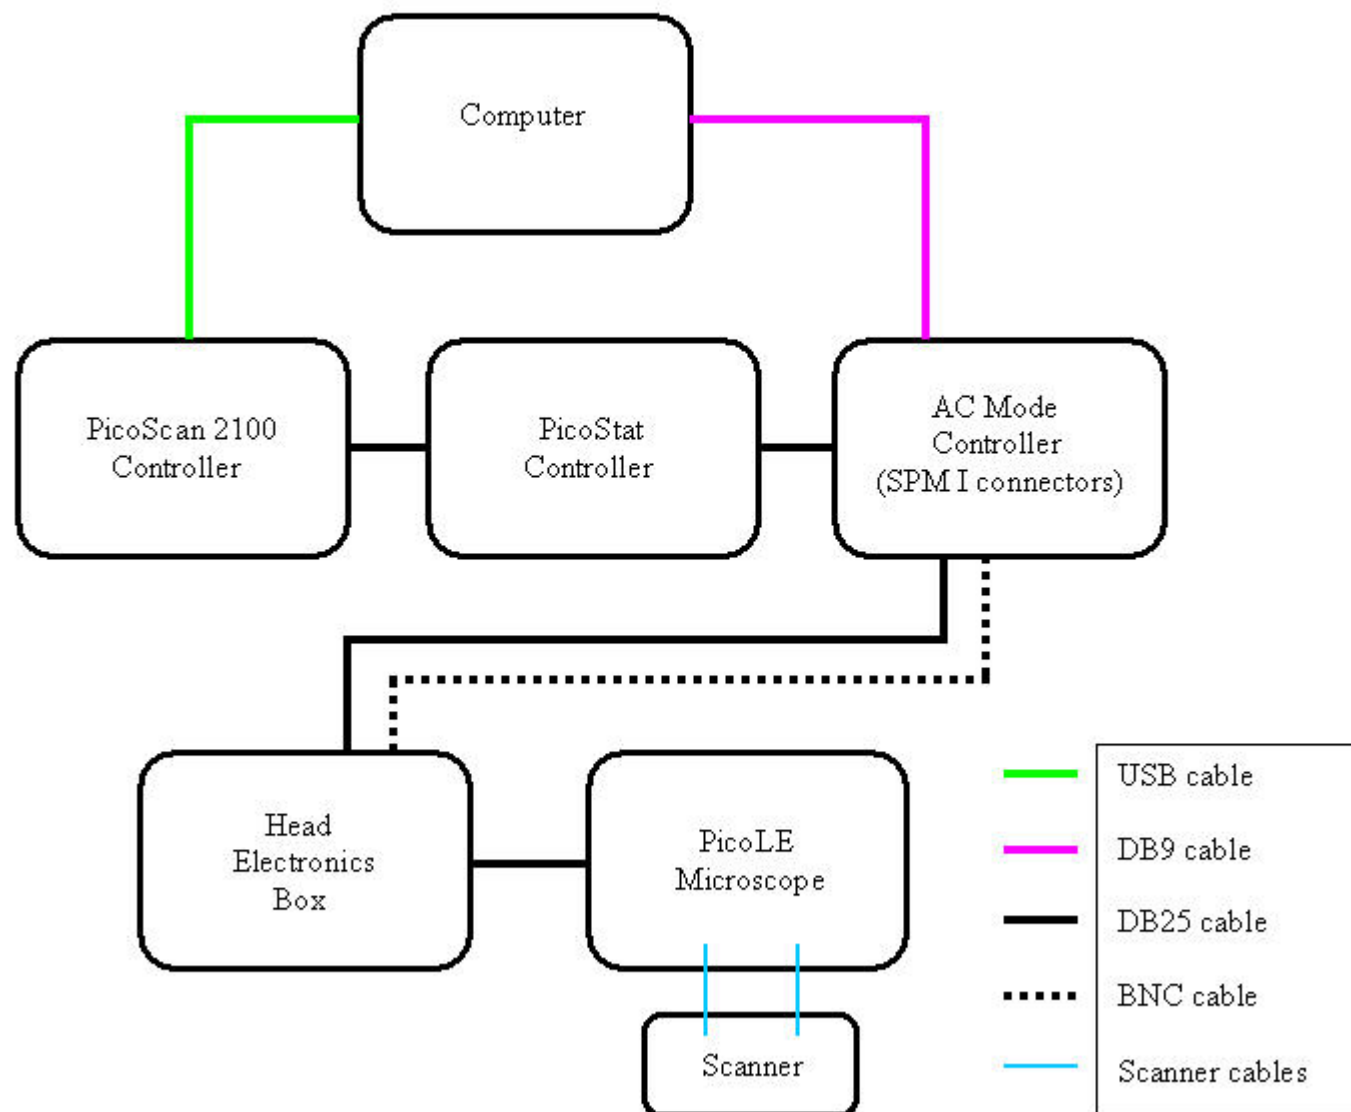

Connection Diagram for a PicoLE System with a MAC Mode Controller

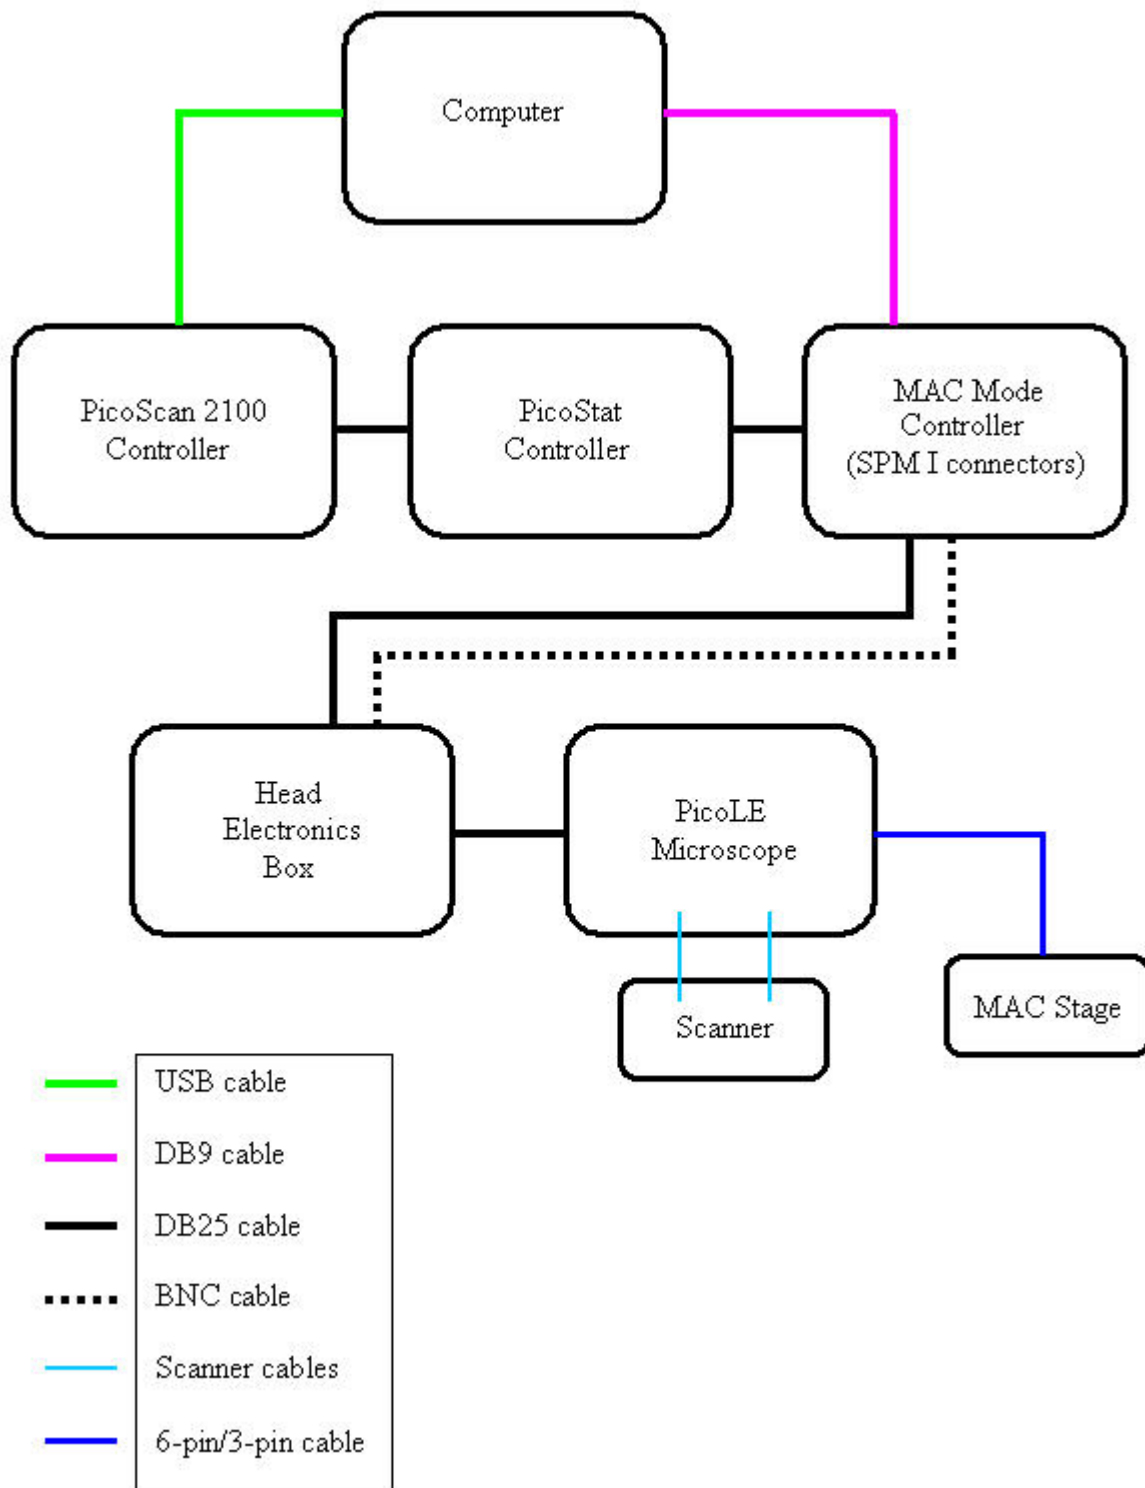

Connection Diagram for a PicoLE System with PicoStat

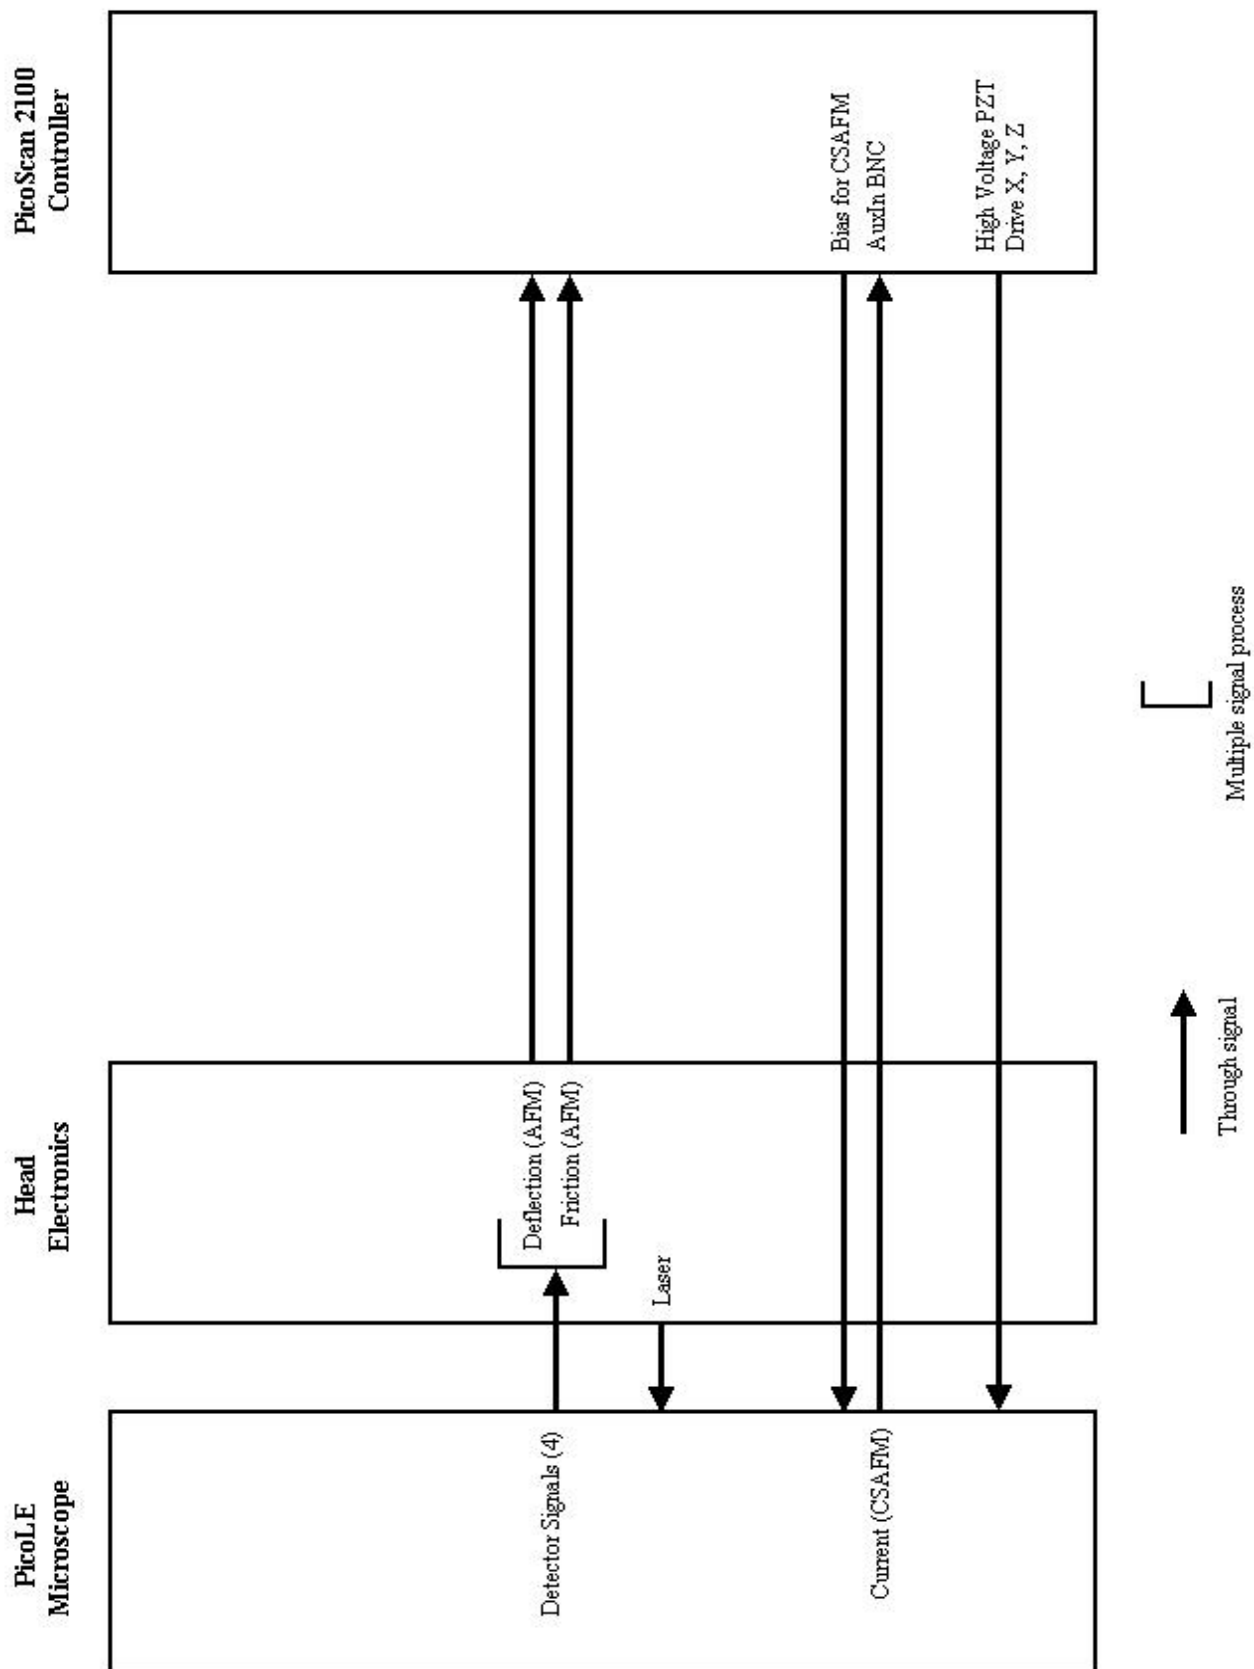

Connection Diagram for a PicoLE System with PicoStat and AC Mode Controller

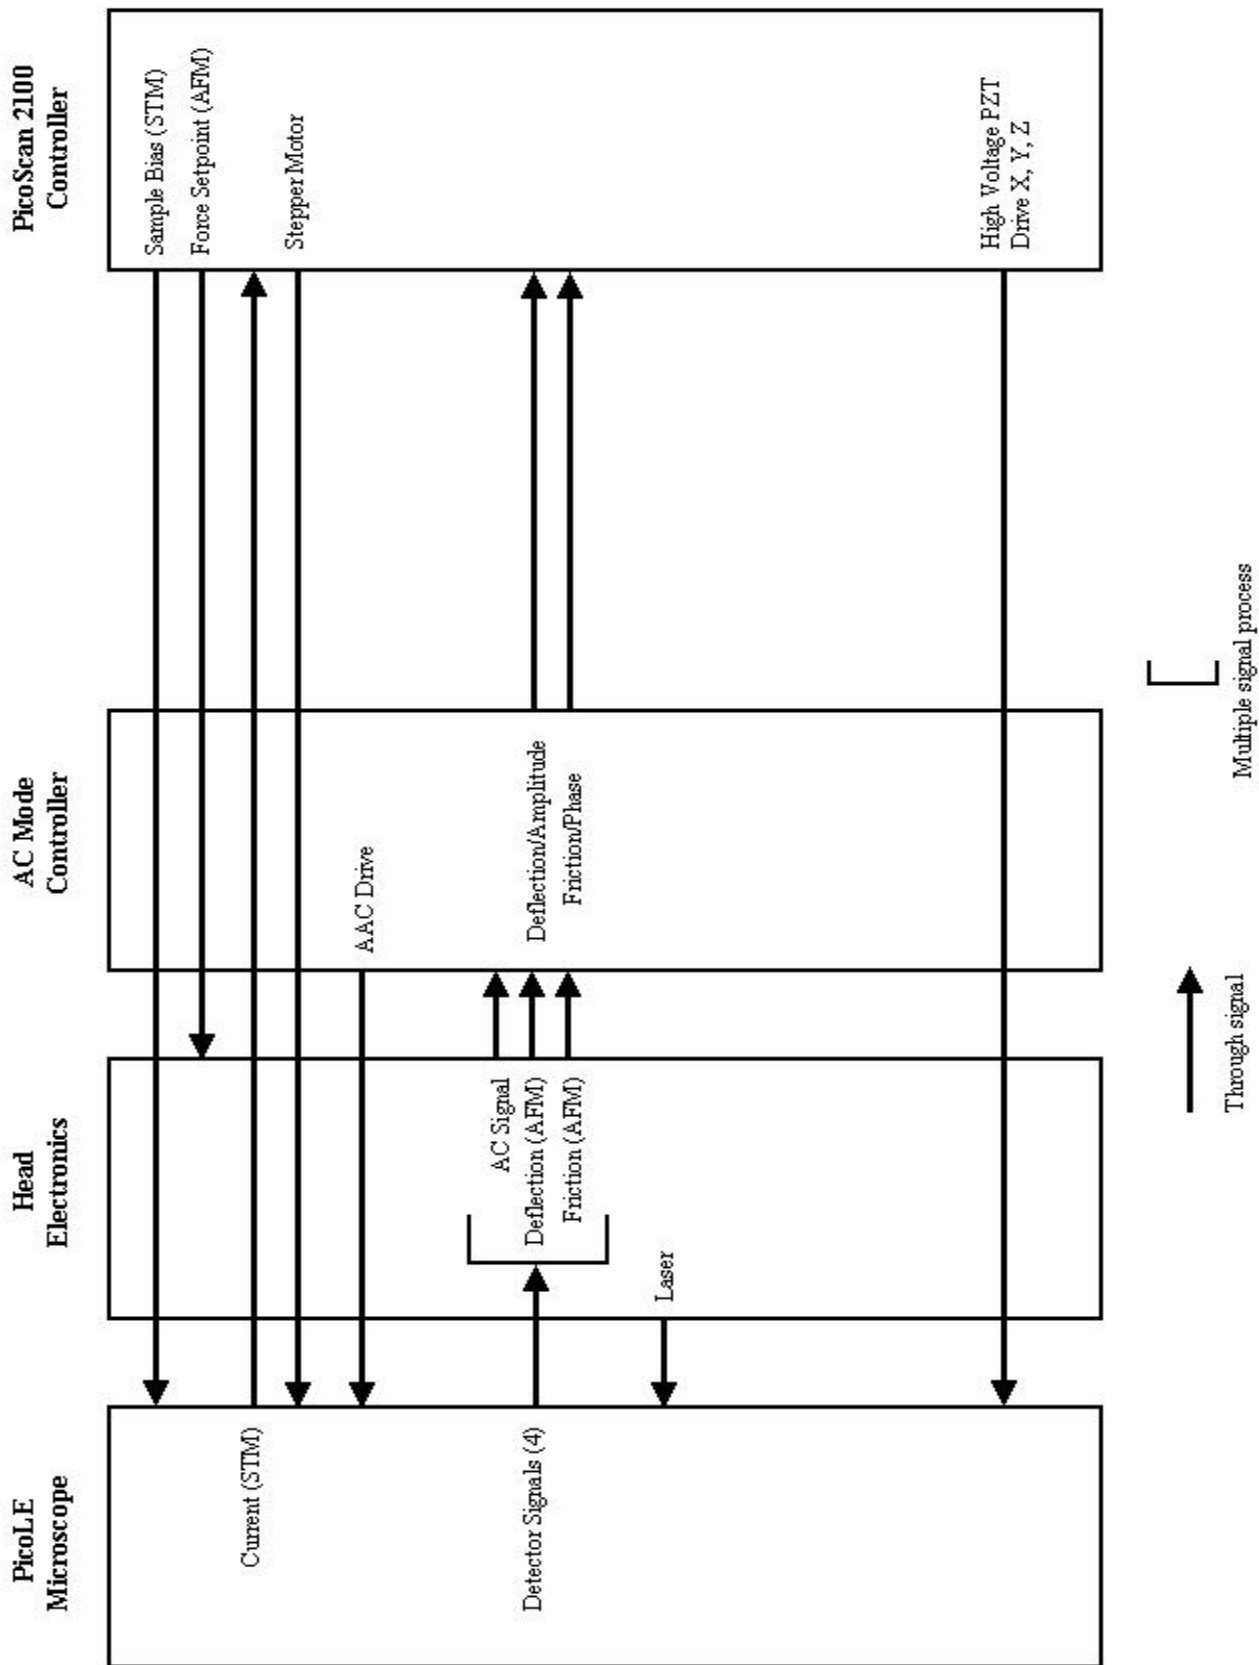

Connection Diagram for a PicoLE System with PicoStat and MAC Mode Controller

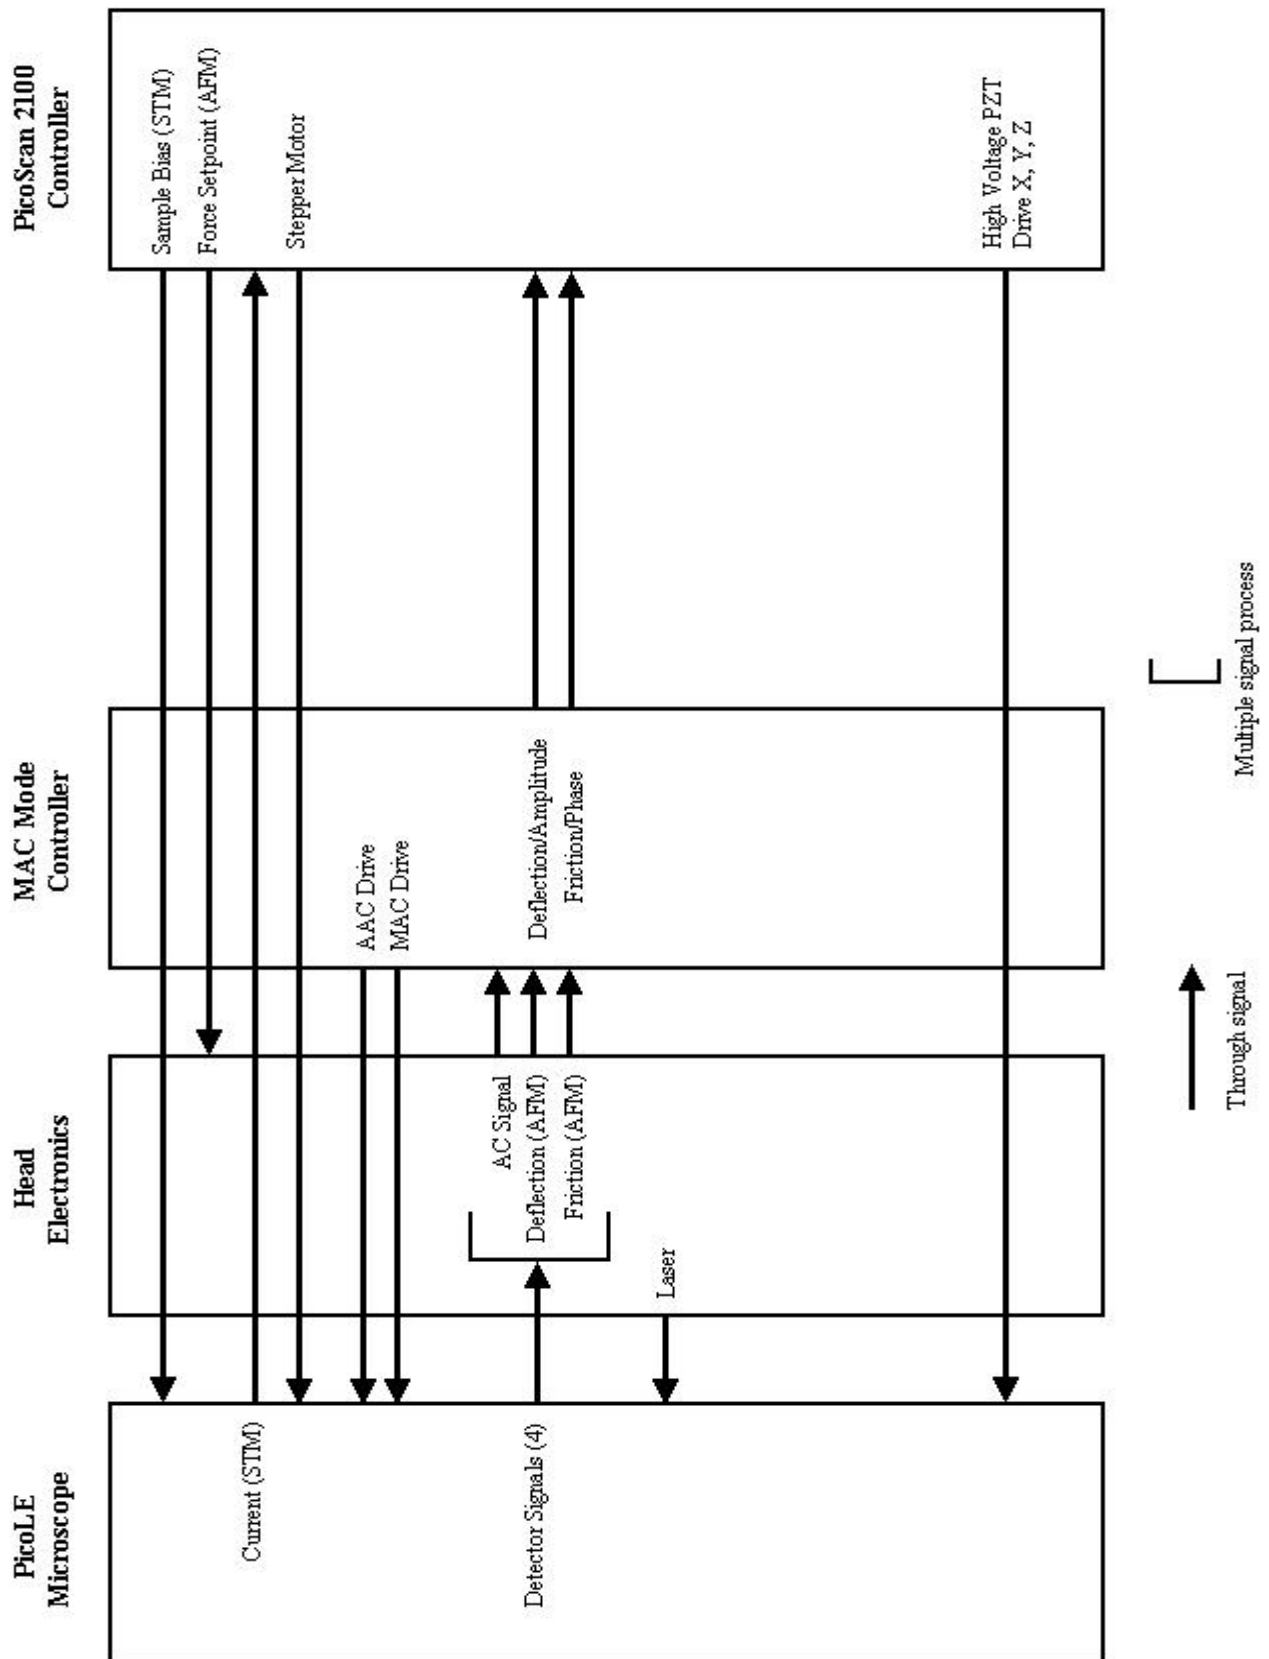

Signal Diagram for a basic PicoLE System

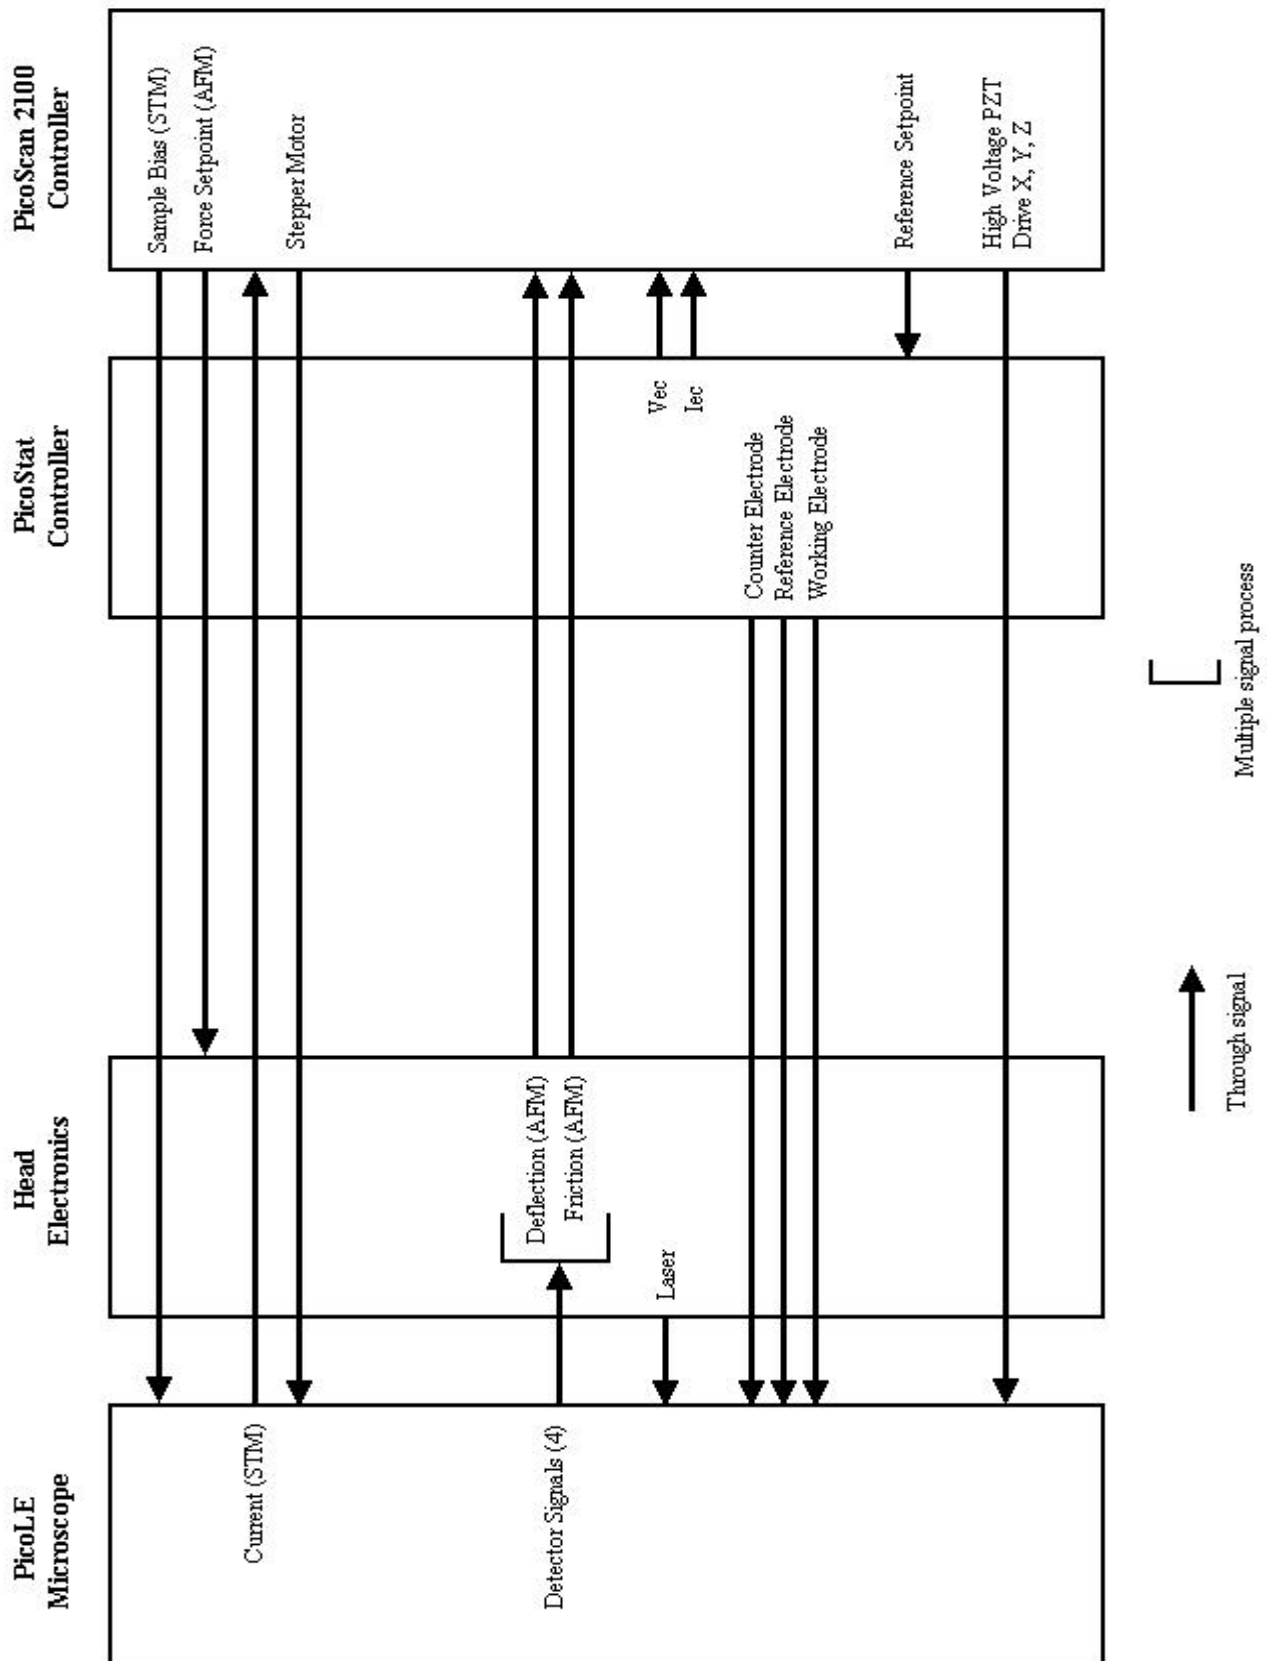

Signal Diagram for a PicoLE System with an AC Mode Controller

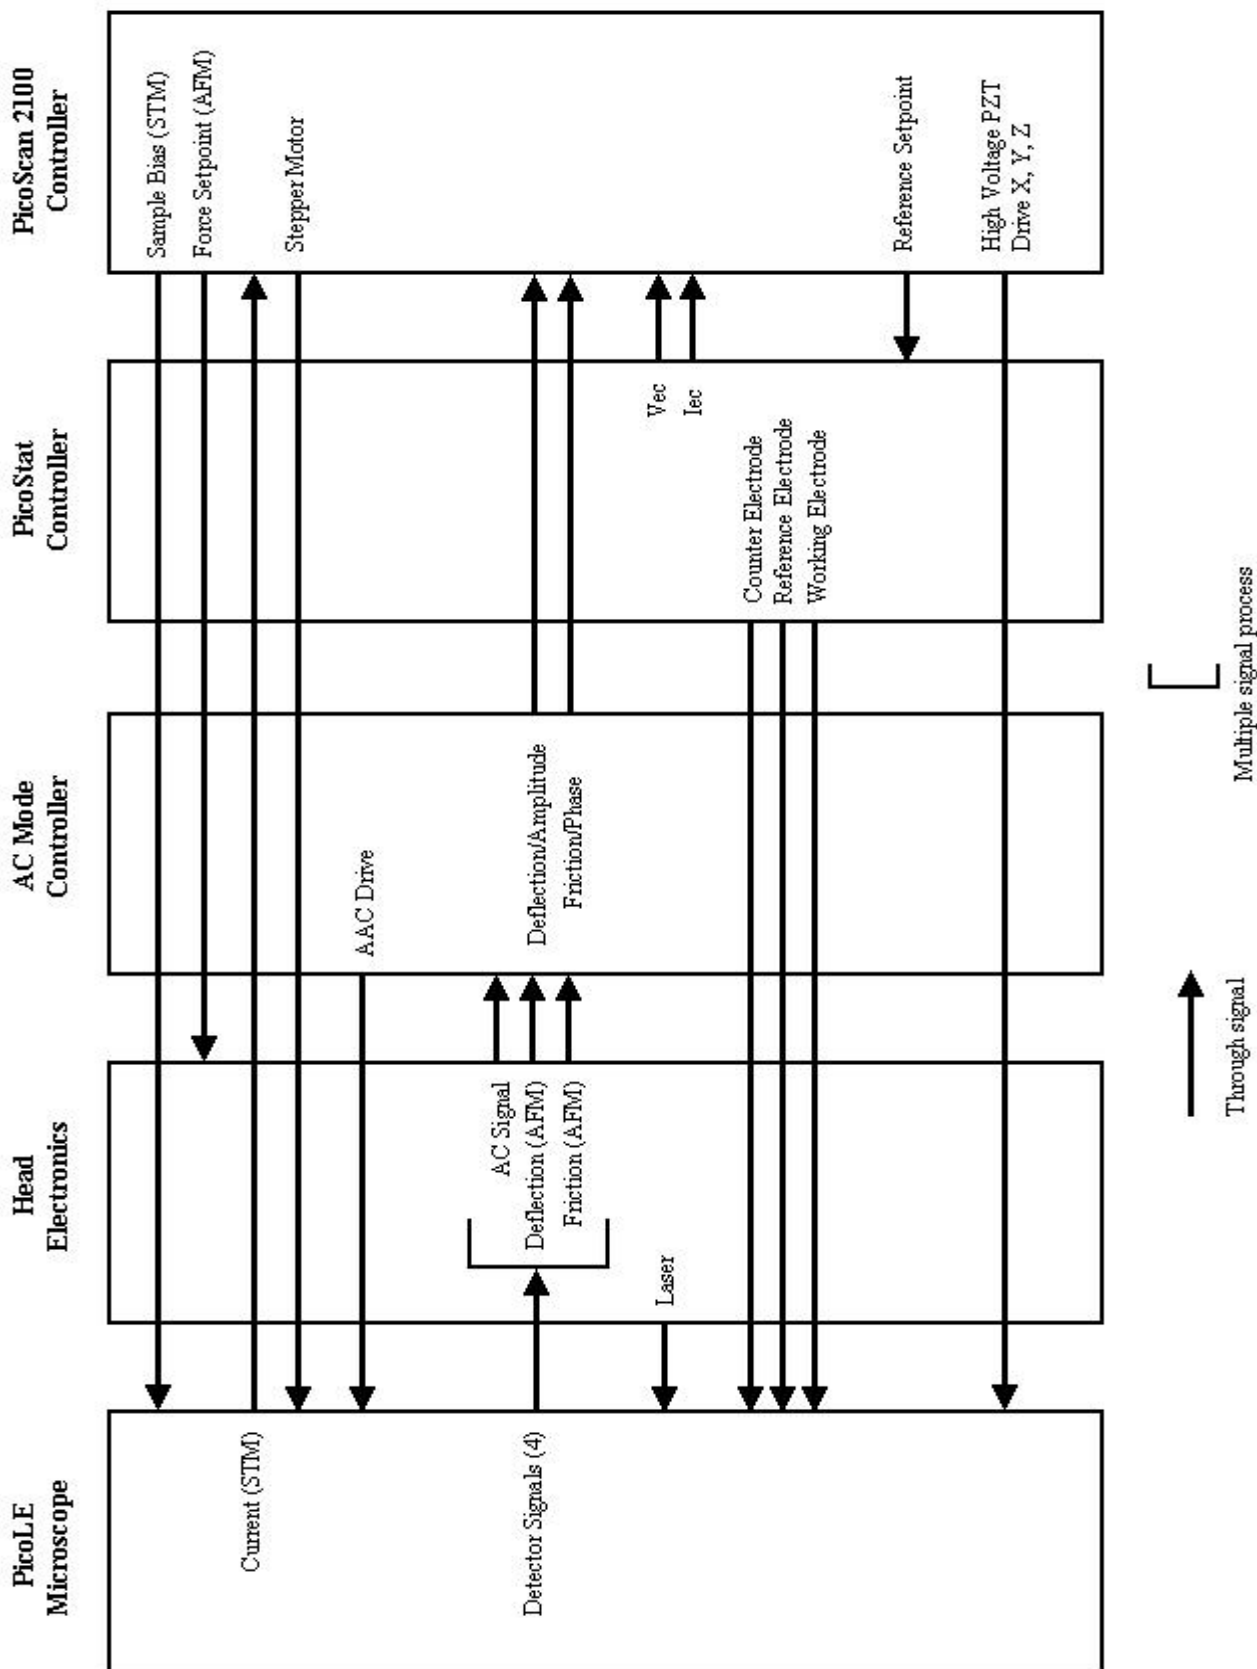

Signal Diagram for a PicoLE System with a MAC Mode Controller

Signal Diagram for a PicoLE System with PicoStat

Signal Diagram for a PicoLE System with PicoStat and an AC Mode Controller

Signal Diagram for a PicoLE System with PicoStat and a MAC Mode Controller
